

ABOUT QAS

Queensland Audit Services was established in 2005 by Aland & Co Accountants, to complement the range of taxation and accounting services offered by the firm which had been in operation for over 50 years. In 2011 the business merged with Carrick Ashmead Auditing, the origins of which date back to 1953.

With offices in Toowoomba, Dalby and Chinchilla on QLD's Darling Downs our Audit Team is headed by Directors David Johnston and Kent Gripske, supported by our experienced team of audit professionals.
